Easy Sourdough Bread for Beginners

No-Fuss Starter Care, Baker's Timeline & Golden Dutch Oven Loaf

The Foolproof 4-Ingredient Country Sourdough Loaf

- 100g Active, Bubbly Sourdough Starter (floats in warm water)
- 350g Warm Filtered Water (about 1.5 cups)
- 500g Unbleached Bread Flour (about 4 cups)
- 10g Fine Sea Salt (2 teaspoons)

The Simple 4-Step Baker's Rhythm

1. MIX & REST (8:00 AM): Whisk starter and water together, stir in flour and salt until no dry bits remain, and cover for 1 hour.

2. STRETCH & FOLD (9:00 AM – 11:00 AM): Every 30 minutes, grab one side of the dough, stretch it up, and fold it over the center (turn bowl 4 times). Let rise on the counter until puffy (4–6 hours).

3. SHAPE & OVERNIGHT FRIDGE REST: Shape into a smooth round boule, place in a floured towel-lined bowl, and refrigerate overnight.

4. BAKE IN DUTCH OVEN (450°F): Bake 20 minutes covered with lid on, then 20–25 minutes lid off until deep golden brown!
